LOA No 0801

AQIS ACCEPTANCE OF CHEMICAL COMPOUND FOR USE IN EXPORT REGISTERED MEAT ESTABLISHMENTS

LETTER OF ACCEPTANCE (LOA) FOR CHEMICAL COMPOUND

This is to advise that the following chemical compound known as **Cyndan Farm Mate** supplied by **Cyndan Chemicals Pty Ltd** has been assessed as being acceptable for use in export registered meat establishments. The acceptance is subject to any conditions that may be specified in Schedule 1. Please note this LOA is only valid at export registered meat establishments.

SCHEDULE 1.

The chemical compound is accepted under **Category 2 General Cleaner Type B.** This compound must not be used for any other purpose within an export registered meat establishment.

- The chemical compound shall be manufactured, labelled and contain directions for use in accordance with the details supplied by the applicant in the application for acceptance dated 09/12/2010.
- The person to whom this acceptance is granted shall notify the AQIS Coordinator Chemical compounds of any proposed alteration of formulation, labelling or directions for use of the chemical compound, and shall not effect any such alterations without receiving notification of approval from AQIS.
- This acceptance is not to be construed as an indication that AQIS has tested the efficacy of the chemical compound nor as an endorsement of the chemical compound.
- The person to whom this acceptance is granted shall not use the acceptance or any departmental logo in any form of advertising or on any label unless the wording or display has been approved, in writing, by the Secretary.
- This acceptance may be revoked if;
  - (a) any of the conditions made by this acceptance are not complied with;
  - (b) the circumstances in which this acceptance was made change, or
  - (c) AQIS becomes aware that the chemical compound has compromised food safety or the wholesomeness of meat or meat products.
- Unless revoked, this approval will expire automatically on 04 January 2015.

DATED THIS fourth day of January 2011
