

CORNERSTONES

Our aim is to achieve total customer satisfaction by providing chemical solutions. The key is in formulating a favourable balance between the following four important elements. These become the cornerstones of Cyndan.

RESULTS

An important element of our customer satisfaction is based on the consistent and favourable results of our products. Our company motto is "chemical solutions", therefore our products are formulated to primarily provide 'solutions' to industrial requirements.

We can offer you a free consultancy service to evaluate your needs and provide a solution to any situation you may have. Our extensive range offers solutions across multiple industries. We welcome the opportunity to demonstrate our products to you.

We also have a contract manufacturing service where our qualified chemists can formulate a product based on your individual needs.

ENVIRONMENT

At Cyndan, we are very conscious of our impact on the environment. Our products and formulations are regularly updated to incorporate the latest and most environmentally friendly raw materials. We have a growing dedicated 'green' range of chemical products and also specialised coatings that help reduce maintenance thus assisting companies to minimise their carbon footprint.

We also use energy saving and low impact chemicals and coatings within our corporate environment and manufacturing processes wherever possible.

ECONOMY

We recognise that our customer has ready access to water, therefore we offer only true concentrates, providing maximum economy. This also saves our customers on packaging and shipping costs.

When comparing the cost of our products, compare the concentration of the active ingredients. We guarantee our products to be more economical than any of our competitors. We also offer a free comparison service to evaluate your current chemical usage and offer a more economical solution using the same or superior products.

SAFETY

Safety is paramount to our Cyndan philosophy, both for our staff and for the users of our products. Our warehouse and manufacturing facilities are constantly updated to exceed safety regulation and standards. Our products are formulated to incorporate non-toxic, non-caustic and non-flammable, user friendly raw materials wherever possible.

Great attention has been paid to the labelling of our products to offer safe user directions. M.S.D.S.'s (Material Safety Data Sheets) for all products are readily available on the Cyndan website for easy access to safe storage and user information.

WHY YOU CAN TRUST CYNDAN

GUARANTEED RESULTS

We GUARANTEE our products work as well as demonstrated or your money back.

MANUFACTURER

Cyndan is the Manufacturer which means you are getting real concentrates. Additionally, if you have special requirements, we can tailor a product to suit your needs. We have produced products for all industry sectors including councils, military, mining and food processing industries.

FREE TRIAL

We let you try before you buy, via supervised site trials.

EXPERIENCE

We have over 33 years experience in manufacturing and supplying the Australian market and have expanded to multiple locations across the globe.

TRAINED CONSULTANTS

We have trained consultants throughout Australia who can personally consult with you to assess your needs.

ONE STOP SHOP

One supplier for all your chemical requirements saves you time and money.

DELIVERY

Orders are despatched within 24 hours with next day delivery to most areas.

ASSURANCE

Our products are **Comprehensively Insured** to protect your assets. Our manufacturing facilities are **Workcover Approved** to ensure consistent quality control. (Lic No. 35/033536) Manufacturing facility and staff are **Agsafe Gold Accredited** to provide you with quality product advice.

construction

automotive & transport

agriculture & horticulture

specialty coatings

chemical solutions for all industries

Below is an alphabetical list of Cyndan products and a brief description of their use. Use the legend to identify the categories for the products.

- A Aerosol
- Industrial
- Automotive & Transport
- Building & Construction
- Hospitality & Food Service
- Cleaning & Maintenance
- Specialty Coatings
- Pest Control
- Agriculture & Horticulture
- Odour Control

Category	Product	Description
A	Aerosol Dispenser Pod.....	Fully programmable computerised aerosol dispenser for 150gm 'Sentinel' and 'Scentations'.
A	Aerosol Lubrication Grease	Aerosol - Convenient and effective solution for the lubrication of all equipment.
A	Aerosol Water Displacer	Aerosol - Correction and protection of moisture - displaces water.
	Algae Died B	Kills algae and bacteria in water and most surfaces.
	Alu Clean	Cleans, brightens, restores and deoxidises aluminium and other metals.
	Anti Foam	Broad Spectrum, quick action defoaming agent.
	Anti Slip Treatment	Non slip treatment for tiles, granite, polished stone etc. Does not wear off.
	Anti Spatter	Pre welding spray to prevent adhesion of welding spatter.
	Automatic Blue	Blue toilet cistern additive providing blue, fragranced bowl water.
A	Barrier Cream	Aerosol - Non slip, skin Protecting Cream with Lanolin and Allantoin
A	Battery Terminal Protectant	Aerosol - Protects the battery and it's fittings from future galvanic corrosion.
	Bird Ban liquid / gel	Non toxic coating which repels birds and is almost undetectable. Available as a liquid or a gel.
	Bituclean	Fast acting and effective bitumen and wax remover. Non flammable.
	Bleach	For sanitising and cleaning of hard surfaces.
A	Bolt Free	Aerosol - Penetrating release agent.
	Brake Cleaner	Evaporating solvent, cleaner & degreaser for removal of grease and carbon from brake discs and rims.
	Bravo	Heavy duty cleaner, deodoriser and disinfectant for bathrooms and most hard surfaces - Eucalyptus fragrance.
	Break Up	Powerful, non toxic, citrus based degreaser. Penetrates and dissolves asphalt, tar, ink, wax, rubber, glue and more.
	Car Sleek	Liquid car washing solution.
	Chemical Toilet Additive	Deodoriser and sanitiser for portable toilets. Comes in blue and clear.
A	Citraerosol	Aerosol - Non flammable, non conductive rapid evaporating solvent for contact cleaning electrical components.
	Citrasolve	Natural citrus based degreaser removes grease, oil, wax, ink, bitumen, chewing gum, sticky residue and more.
	Citrus Oil Formulation	Same properties as 'Citrasolve', however can be diluted in water and is water rinsable.
A	Clean n Guard	Aerosol - cleans, protects glass, mirrors, furniture etc, leaving a protective film to prevent fingerprints.
	Cleaner Hands	Concentrated liquid hand soap ideal for dispensers.
	Cleans All	All purpose industrial grade cleaner. Safe on all surfaces.
	Concrete Wash	Removes mildew, rust stains, mineral deposits, efflorescence from all masonry surfaces.
	Corrosion Inhibitor	Corrosion Inhibitor for cooling systems and radiators.
	Cream Cleanser	Mild, non abrasive cream cleanser for surface cleansing in bathrooms and kitchens.
	Cyndazymes	Uses natural bacteria and enzymes to digest greases, oils and organic contents in drains and grease traps.
	CynFlo	Heavy duty liquid or powder for unblocking drains.
	Deodaclean	Concentrated general cleaner & deodoriser - non toxic, non flammable, non corrosive, pH neutral & biodegradable.
	Deodasafe	Concentrated cleaner, sanitiser & deodoriser in one. Kills germs & bacteria such as Staphylococcus Aureus & E.Coli.
	Deodorant Blocks	Deodorant insecticidal blocks for urinals to control odour.
	Descale It	Descaling compound for boilers, condensers and piping. Dissolves corrosion, limescale and mineral deposits.
A	Diamond Glazing	Aerosol - Protects copper, stainless steel, brass, aluminium and other alloys from corrosion and tarnishing.
	Dislodge	Degreaser additive used to improve safety of base degreasing fluids. Non flammable. Quick break degreaser.
	Dome Air Sanitiser	Air sanitising and deodorising dispenser.
	D'Solve	Heavy duty solvent degreaser for removal of heavy grease, wax, bitumen and glue. Water dilutable & rinsable.
	Dual 100	Commercial grade disinfectant certified to kill Staphylococcus Aureus & E. Coli. Variety of fragrances.

	Durafilm	Gloss coating for rejuvenation of vinyl, linoleum, plastic, timber furniture and other hard surfaces.
	Econo 1101 Tyre Gloss	Clear non silicone tyre gloss.
	Econo 1501 Foaming Sanitiser ..	Foaming Sanitizer for cleaning food processing equipment.
	Econo 901	Electrical degreasing Solvent.
	Econo Excell	A powerful alkaline hard surface cleaner which remove grease, oils, and grime.
A	Electroclean	Aerosol - Non residual, rapid evaporating solvent for contact cleaning of precision and electrical components.
	Enviro Dryorb	Absorbs oil and liquid spills from floors and roadways. Water resistant formula allows it to absorb oil from water.
	Envirosolve	Oil of pine formula - degreases, cleans & deodorises. Also used in the maintenance cleaning of sewage lift stations.
	Fabric Fire Proofing	Water based spray treatment for fire proofing fabrics in situ such as curtains, carpets, upholstery etc.
	Fabric Softener	Fabric softening agent.
	Farm Mate	Heavy duty versatile cleaner & degreaser. Removes manure from most surfaces, degreases farm equipment.
	Fire Retardant Liquid	Fire retardant treatment for timber. Passes AS/NZS 3837.
	Flocculant	Chemical treatment to assist solids settling in liquid.
	Floor Stripper	For the removal of floor waxes and polishes.
	Fresh and Clean	Powerful Acidic cleaner removes rust and lime deposits and restores lustre to stainless steel and porcelain.
	Glyphocycle 360 & 450	A non selective, herbicide for the control of weeds. (Glyphocycle 360 - frog friendly)
	Graffiti Shield	Non sacrificial, 2 part graffiti shield.
	Graffiti Stripper	Removes graffiti of any kind from most hard surfaces.
	Green Solve / Green Gel	Environmentally Friendly paint remover. Ideal for removing graffiti from surfaces treated with Graffiti Shield.
	Hand Cleansing Foam	Foaming hand wash for use with a foaming dispenser.
	Heat Shield	An acrylic, solar reflective paint providing excellent heat insulation.
	High Solve	A blend of liquid hydrocarbon solvents makes it very effective in dissolving heavy grease & oil. High flash point.
	Insakill (solvent & water based)	Non-residual, concentrated insecticide for the killing of crawling & flying insects on contact.
	Insectaguard (solvent & water based).....	Residual insecticide - guards against the invasion of insects. Kills and protects for up to 3 months.
A	Instant Cold Galvanising	Aerosol - Long term protection of iron and steel against corrosion. Gal in a spray can.
	Kitchen Cleaning Concentrate (KCC).....	Versatile heavy duty kitchen degreaser. Dilute to use for various kitchen applications.
	Laundry Liquid with Enzymes	A powerful formula that removes dirt, stains and odours leaving your clothes bright, clean and fresh.
	Laundry Powder	A commercial grade concentrate that is suitable for hot or cold washing in hard or soft water areas.
	Liquidzymes	Liquid enzyme solution for biodegrading waste material. Excellent odour eliminating performance.
	Lube & Cool	Water dilutable machine lubricant and coolant.
	Marine Acid Wash	Triple action, enhanced formula with phosphorylated ethoxylate for hull cleaning.
	Masonry Sealer	Gloss coating for masonry surfaces. Available in clear and coloured.
	Medipure Hands	Fast evaporating hand sanitising gel.
	Metal Protective Coating (MPC).....	Prevents rust & corrosion on metals in extreme conditions. Works in underwater applications. Anti-fouling properties.
	Micro Inviso Shield (MIS)	Penetrating invisible sealer for porous tile & masonry surfaces. Prepels oil & water providing an easy clean surface.
	Mirrors & Glass	Concentrated streak free cleaner for windows, glass, mirrors, chrome and stainless steel.
	Moisture Stripper	Moisture displacing & lubricating fluid for electrical and mechanical fittings.
A	Moly Plus	Aerosol - dry lubricant for lasting lubrication under extreme pressures and temperatures.
	Mower Restorer	For the maintenance and restoration of grounds keeping equipment.
	Multi Mate	Heavy duty, industrial cleaner for a multitude of applications.
	My T Hands	Sanitising hand cleaning lotion with 4 micron beads for heavy duty cleaning.
	Non PDCB Deodorant Block	Toilet Blocks without Paradichloreobenzene. Used in urinals to deodorise toilet areas.
	Odourless	Non toxic, odour neutralizing compound with a pleasant fragrance derived from Australian essential oils.
	Ovens & Grills	Concentrated oven and grill plate cleaner.
	Oxy Soak Powder	Sanitising oxygenated boosted washing powder.
	Pickle It	For the removal of welding stains from stainless steel. Provides passivation.
	Power Kleen	Multipurpose industrial cleaner, contains an added rust preventative.
	Power Solve	Multipurpose industrial cleaner, contains an added rust preventative. Low odour.
	Protecta	Metal anti-corrosion treatment and lubricant.

	Rapid Evaporating Degreaser	Evaporating degreasing fluid for cleaning precision equipment.
	Refusal	4-way action, including maintaining waste disposal bins whilst repelling insects. Clears grease blockages in drains.
	P.P.P.	Paintable membrane protects glass & other surfaces during building or manufacture then peels off.
	Rinse Aid	Rinse aid for dishwashing machines.
	Rodex B	Rodent poison. For use with small and large bait stations.
	Rub Clean	Waterless hand cleaning gel. Also available with grit for a more abrasive clean.
	Rust Buster	Encapsulates and neutralises rust. Available in clear and silver.
A	Scentations	Aerosol - Fragranced odour neutraliser and sanitiser. For use in A.D.U.'s. Available in 150g and 305g cans.
	Scrubber Wash Powder	Safe powder cleaner for removal of grease, oil, dirt from concrete, timber and floor surfaces.
	Selectacide	Selective weed killer and herbicide. Kills the weeds, not the plants.
A	Sentinel	Aerosol - natural pyrethrin insecticide kills flying & crawling insects. Creates a 'repel zone'. Use with A.D.U.
	Shield I.T.	Penetrating invisible sealer for low to non-porous tiles & masonry. Oil & water repelling creates an easy clean surface.
	Shield n Shine	Cleans and protects most surfaces from dust, smudges, fingermarks and water spots. Anti static finish.
	Shining Floors	Multipurpose floor polish and sealant for timber, cork and vinyl.
	Silacoat	Lubricant and industrial release agent leaving a microscopic protective film.
A	Sila Sol	Aerosol silicone lubricant and release agent.
	Soak	Cold tank degreaser which removes paint, grease and carbon build up on any metal surface.
	Soil D	Soil conditioner and wetting agent.
	Soil Stabiliser	Stabilises and binds dust and soil on roads, stockpiles, embankments and variety of areas.
	Spa Bath Treatment	Sanitises and cleans the internal plumbing of spa baths.
	Specialised Acid Wash	Acid / detergent based cleaning solution.
	Spill Response Kit	Emergency Spill Kits for vehicles and workplace.
	Squeaky Clean Liquid	Dishwashing detergent concentrate. Mild on hands.
	Squeaky Clean Powder	Dishwashing machine powder.
	Stainless Steel Cleaner	Heavy duty cleaner to remove 'tea staining' and corrosion from stainless steel.
A	Stainless Steel Polish	Aerosol - Cleans and protects stainless steel.
	Stainless Steel Rejuvenating Paste.....	Non abrasive paste for the removal of 'tea staining' and corrosion from stainless steel.
	Stainless Steel Sentry	Protective coating for stainless steel to prevent 'tea staining' and corrosion.
	Steamate	Additive for steam cleaning machines to assist in cleaning and degreasing.
	Super Odour Eliminator	Natural enzyme that biodegrades organic material and eliminates unpleasant odours instantly.
	Superb Stripping Formula	Removes paint, powder coating, carbon deposits, heavy grease and oil.
	Three in One (3 in 1)	Heavy duty acidic cleaner, deodoriser and sanitiser for toilets and bathrooms.
	Tile Clean	Heavy duty cleaner for removing calcium, rust, stubborn stains from unglazed tiles, fiberglass and masonry.
	Timber Protection Solution	Marine grade, water resistant clear timber treatment.
	Top Coat	High gloss floor polish and sealant for timber, cork, masonry and vinyl floors.
	Turf M	Liquid fertiliser for use on turf.
	U Beaut	Heavy duty, water based, safe degreaser. Quick break degreaser.
	U Beaut Truck Wash	Safe degreaser and detergent for removing grime, soot and bugs from trucks and vehicles.
	U.B.C.	Heavy duty aggressive degreaser for heavy equipment and vehicles.
	Vitroglaze	Permanent glass coating preventing the build up of contaminants and etching of glass making it easier to clean.
A	Wasp Eliminator	Aerosol - Kills wasps and their eggs instantly and safely. 54.5kV dielectric strength. Non flammable formulation.
	Water Sponge Crystals	Commercial grade water retainer and conserver.
	Weedeath	For knockdown and residual control of weeds and grasses.
	Wetting Agent	Liquid soil wetting agent.
	Wonder Wash	Non agitation car and equipment wash.
	Wondersolve	Dissolves tar, grease, asphalt, soils & waxes from heavy vehicles & road working equipment. Water dilutable.
	Wool Wash	Washing liquid for delicate woollens.
	W.W.W.	Wash and wax without water for cleaning exterior of vehicles.
	Zip Strip	Super paint stripping formula.
