ALGAE DIED B

Guaranteed Results

Nature Safe

Non-corrosive

No Odour

Algae, Mould and Bacteria Treatment

Cyndan Algae Died B is a non-chlorine liquid treatment formulated to completely kill algae, mildew and also bacteria. Suitable for use in airconditioning cooling towers, swimming pools, fountains, ponds, golf courses, bowling greens, sports fields and anywhere algae, mildew and bacteria need eradicating.

Cyndan Algae Died B is compatible with chlorine. It is a nature safe, non-corrosive, odour free, super concentrate that may be diluted with up to 80,000 parts of water. Extremely effective for use on all surfaces such as slipways, concrete paths, painted surfaces, natural & artificial grasses, and many other areas.

It is an approved A.Q.I.S. category 6 sanitizer which is suitable for footbaths & equipment. It is also registered and approved with the A.P.V.M.A. Australian pesticides & veterinary medicines authority.
