

# BIRD BAN

Repels birds

Weather resistant

Easy to apply

Non Toxic

Safe for birds

## Bird repellent Gel

**Cyndan Bird Ban** is a non acidic, non toxic gel coating which dries clear and is almost undetectable to the naked eye. It repels birds such as pigeons, starlings and sparrows.

Cyndan Bird Ban does not harm birds rather, it's tacky formulation makes birds feel uncomfortable and insecure and stops them from roosting and nesting, thus preventing their highly acidic droppings from damaging and contaminating property.

It is long lasting and is weather resistant. Use in areas where birds are a menace and health hazard, such as; outdoor cafes, food courts, building facades & ledges, factory & storage facility roof beams, sills and anywhere birds are a problem.

Bird Ban is easy to apply with a brush or roller and lasts for months.

Now  
also available  
as  
**a spray on  
liquid**
