

BRAKE

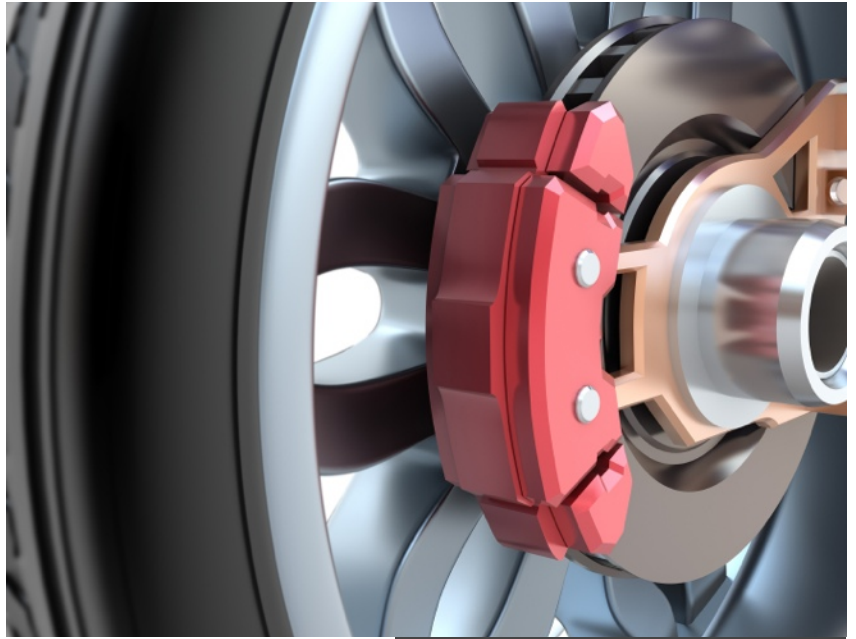

CLEANER

Evaporating Solvent
Degreaser

Penetrates Into Oil &
Grease

Low Odour Formulation

Economical Solution

Evaporative Solvent, Cleaner & Degreaser

Cyndan Brake Dust Cleaner is an evaporating solvent, cleaner and degreaser. It is formulated for the removal of greasy brake dust and carbon from Brake discs. It is ideal for checking for oil leaks and for degreasing intricate areas. Useful for spot degreasing when rinsing is not an option.

Cyndan Brake Dust Cleaner offers reduced evaporation providing better penetration into oil and grease and thus reduces cleaning time. Low odour formulation provides a safer work environment.

Competitively priced providing great cost saving compared to other market leaders and we guarantee our Brake Dust Cleaner is better than the rest.

Use on:

- ✓ Disc Brakes
- ✓ Engines
- ✓ Machine Parts
and much more...

greasy brake dust
before

after sprayed with
brake cleaner
