CYNFLO POWDER

SODIUM HYDROXIDE - NEAT

Cynflo Powder is a powdered drain "unblocker". It will cut through grease, organic matter and even dead tree roots. Fast acting and effective. Ideal preparation for using Cyndan Enzyme based "waste water" maintenance program.

DIRECTIONS:

Differences occur in blocked area so testing can be done to determine amounts to use. Begin with an amount of 1kgs. Allow to stand for 30 minutes. Flush with water with a hose pipe. Repeat up to 2.5kgs at a time if necessary.
For further maintenance with environmental and safety advantages, apply Cyndan Cyndazymes or Liquidzymes.

SAFETY: Corrosive. Avoid contact with eyes and skin. Wear protective clothing, gloves and eye protection.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes. If skin contact occurs, remove contaminated clothing and rinse for 15 minutes with soap and water. Ensure clothing is washed thoroughly before using again.
