

# DEODA SAFE

Cleans, sanitises & deodorises

Non toxic

pH Neutral

Non Flammable

Non Corrosive

Kills Staphylococcus aureus & E. Coli

## Cleans, sanitises & deodorises

**Cyndan Deoda safe** is a cleaner, sanitiser and deodoriser in one.

Cyndan Deoda safe is non-flammable, non-corrosive, non-toxic and does not contain petroleum solvents. It contains 9.9% Quaternary Ammonium compound and is a certified commercial option C disinfectant when diluted with 75 parts water. Deoda safe is proven to kill unwanted organisms such as staphylococcus aureus and E. Coli.

It is safe to use on most surfaces and leaves a pleasant residual fragrance and rinses to leave a residue free and sanitised surface.

Use with confidence for cleaning floors, bathrooms, offices, kitchens, public areas, garbage rooms, inside public transport, hotels, gyms, public bars & clubs, and venues that requires a sanitary and pleasantly fragranced environment.
