

DUAL 100

Kills & Neutralises:

E.Coli
Staphylococcus
Mildew
Algae
Bacteria

Commercial Grade Disinfectant

Cyndan Dual 100 is a commercial Grade disinfectant proven to eradicate gram positive and gram negative bacteria such as Staphylococcus Aureus and Escherichia Coli (E. Coli).

Dual 100 contains no harmful ingredients such as acid and alkalines and is totally safe to use on all surfaces. It has a pleasant fragrance which will linger to provide lasting freshness.

Cyndan Dual 100 dissolves mildew and algae deposits quickly and controls further growth.

It has been independently tested and certified as a commercial option C disinfectant under the T.G.A. (Therapeutic Goods Administration) Act, boasting almost twice the active power of most disinfectants. Dual 100 contains 7% Quaternary Ammonium Compound and is effective at rates of 100:1 dilution with water offering broad spectrum protection, peace of mind and great economy.

It is also suitable for use in food preparation areas and is approved and registered with AQIS.

Use in:

- ✓ Kitchens
- ✓ Abattoirs
- ✓ Animal pens
- ✓ Hospitals
- ✓ Bathrooms
- ✓ Offices
- ✓ Aged care facilities
- ✓ Food prep areas

Suitable for use in food preparation areas.
