# ECONO 1001

## Odour Neutraliser with Refreshing Residual Aromas

CYNDAN\* ECONO 1001 is an effective, fast working, long lasting odour neutralising compound that either destroys obnoxious odours by killing the original odour or converting it to something more acceptable.

Dilute CYNDAN\* ECONO 1001 with water to give the desired result, or for a faster and more effective result use CYNDAN\* ECONO 1001 undiluted. Continual use of CYNDAN\* ECONO 1001 will result in a lingering, long lasting fragrance.

### **DIRECTIONS:**

#### **Possible Applications:**

**ALL VEHICLES:** Spray CYNDAN\* ECONO 1001 into the air-conditioning vents with the air movement fan operating. This will disperse the fragrance throughout the entire system. Use CYNDAN\* ECONO 1001 under floor mats and seats for fast effective odour knockdown.

**GARBAGE AREAS:** Clean effected area using CYNDAN\* POWER KLEEN and spray the entire effected area with CYNDAN\* ECONO 1001. Do not rinse but allow to dry for long and lasting residual effect.

**CHILDREN'S ACCIDENT ODOURS:** Remove odour source and liberally spray CYNDAN\* ECONO 1001 around the affected area. Allow to dry without rinsing.

**ANIMAL ODOURS:** Clean affected area using CYNDAN\* POWER KLEEN then spray CYNDAN\* ECONO 1001 over walls and floors to leave a refreshing lingering fragrance.

CYNDAN\* ECONO 1001 can be used in all areas to remove odours. See your CYNDAN\* distributor for further advice.

### **SAFETY:**

**Avoid contact with eyes.**

### **FIRST AID:**

If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
