ECONO 703

Lemon Fragranced Refined Antiseptic, Germicide, and Disinfectant
1.75% Quaternary Ammonium Compound

DIRECTIONS:

Toilet and Shower Areas:

Dilute CYNDAN* ECONO 703 with up to 20 parts of water and apply to the surfaces by spray, mop or brush application. As bacteria are killed the source of odour is removed. The result is a clean and hygienic environment.

General Disinfecting:

As a general disinfectant CYNDAN* ECONO 703 may be used with up to 20 parts of water. This dilution can then be applied to food and drink processing equipment, animal pens, bar areas, food freighting vehicles, killing floors and boning rooms, brewing room floors and walls.

Mould and Mildew Control:

These are best eradicated by an application of CYNDAN* ECONO 703 diluted with 20 parts of water. Clean the affected area with this solution. Rinse then reapply and allow to dry. A prolonged control of this unwanted growth will result.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
