Enviro-Dryorb

PREMIUM OIL ABSORPTION FLOOR SWEEP

Cyndan* Enviro-Dryorb is ideal for the absorption of oil spills, blood, urine, vomit, and paints on all surfaces, both wet and dry. It is non toxic and is made from an Australian grown natural renewable resource. It can also be used as an effective masking agent to cover odours until a spill is completely cleaned up and disposal can occur.

DIRECTIONS:

Spread a layer of Cyndan* Enviro-Dryorb over the spill and brush with a stiff broom. As soon as the spill has been absorbed sweep aside, collect and dispose of correctly.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
