

CAUTION Keep out of reach of children
Read safety directions before opening

FABRIC SOFTENER

FOR A SOFTER, FRESHER WASH

Makes the washload fluffy and soft. CYNDAN* FABRIC SOFTENER will leave a lasting freshness as it conditions the fabric. This conditioning eases ironing and folding operations. Pleasantly fragranced. This product uniquely boasts a nil Phosphorus and Phosphate content which provides outstanding benefits for our sensitive environment.

DIRECTIONS:

CYNDAN* FABRIC SOFTENER should be used only during the final rinse. It should not be applied undiluted onto the clothes. Do not use bleach or any other products during the final rinse where CYNDAN* FABRIC SOFTENER is being used.

Recommended Measures

Top Loading Machine	75mL
Twin tubs Front -Loading	75 mL
Hand Wash	60 mL

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
