

# GRAFFITI STRIPPER

Fast Acting

Biodegradable

Spray on  
Rinse off

## Graffiti Remover

Cyndan Graffiti Stripper is a strong, fast acting, biodegradable liquid graffiti remover for use on exterior and interior surfaces.

Effective in the removal of spray paint, markers, inks, crayon and more from bricks, concrete, bins, street signs, painted masonry, post boxes slate, marble, granite, stucco, terracotta, timber, fences, glass and many other surfaces.

Simply spray on and rinse off with water. Graffiti Stripper safely penetrates the surface to remove the contaminant. It will not remove the painted substrate. Cyndan Graffiti Stripper may be rinsed with a pressured water sprayer eliminating need for a water source.

### FEATURES

- Fast Acting
- Biodegradable
- Spray and rinse application.
- Can rinse with pressurised water sprayer.
- Does not remove painted surface beneath.

### BENEFITS

- Less time taken to remove graffiti
- Safe for the environment
- No expensive equipment needed
- No water source required
- No need to repaint surface
