HAND CLEANSING FOAM

LUXURIANT SOFT FRAGRANT

NOTE: This product is only functional with the Cyndan* Foaming Soap Dispenser.

A new way of washing hands leaving them beautifully clean, soft and fragrant. Cut your liquid hand soap cost by up to 84%. Using the latest chemical formulations and raw materials, this product not only cleanses the hands, it leaves them fresh and fragrant, with a silky feel. The luxuriant, soft texture, of the foam soothes and nourishes the skin, leaving a vibrant vanilla essence.

DIRECTIONS:

Using the product as supplied (i.e. no dilution) fill the Foaming Soap Dispenser with the product and commence usage.

The gentle cleaning action is suited and recommended for the hospitality industry, for housekeeping departments, public washrooms in restaurants, hotels, motels, office buildings, and health care facilities. There are no harmful ingredients in this formulation. The product is biodegradable and used in its neat concentration, no dilution is necessary.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
