

CYNDAN\*

# Displaces Moisture, Seals out Water, Protects from Corrosion.

## For Electrical and Mechanical Fittings

**✓** Never before has there been a moisture displacing liquid with such outstanding protective capabilities.

Results

Cyndan\* Moisture Stripper is unlike many similar products of its type on the market. Moisture Stripper was not formulated for the mass handyman market and then sold to heavy industrial users. Moisture Stripper has been formulated for industry with the extra protection needed to combat the heavy moisture damage experienced in the work place. Please ask for a demonstration of Moisture Stripper's unique and effective moisture displacing qualities.

## PENETRATES, LUBRICATES AND DISPLACES MOISTURE

- Displaces moisture and leaves a residual film to protect against future water penetration.
- Safe to use on all surfaces whether fabric, metal, plastic or rubber.
- Lubricates close fitting parts reducing squeaks and friction. Also protects from corrosion and wear.
- Penetrates and frees rusted or heat-bound parts.
- Stops battery corrosion.

Also available in aerosol format. To order please ask for Aerosol Water Displacer.
