HEAVY DUTY INDUSTRIAL PRESSURE WASHING AND STEAM CLEANING ADDITIVE

Cyndan* Multi Mate will remove grease, oils and industrial soiling with ease even when diluted with as much as 100 parts of water. These results and economy of dilution are achieved through the powerful formula of Potassium Hydroxide and Alkaline Salts. These two chemicals combined together give Multi Mate its cutting strength and high percentage of active ingredients.

Cyndan* Multi Mate comes in a convenient liquid form which is 100% water soluble. This guarantees no hose or pump clogging.

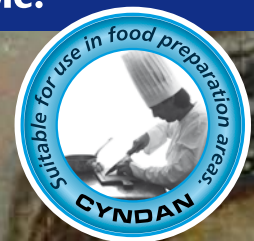

ENVIRONMENT

All of the raw materials used to formulate Cyndan * Multi Mate have been independently certified as biodegradable which in turn renders Multi Mate biodegradable.

This product is approved for use in registered export meat establishments.
