RINSE AID

DRYING AGENT AND RINSE AID FOR AUTOMATIC DISHWASHING MACHINES

CYNDAN* RINSE AID is formulated to provide faster and cleaner drying of glassware, plastic table ware and china. CYNDAN* RINSE AID is a unique blend of wetting agents and will sheet off rinse water faster and cleaner. CYNDAN* RINSE AID will minimise spotting and will suppress excess foaming. It is ideal for silver and stainless steel. Suitable for all dishwashing machines, including low energy machines.

DIRECTIONS:

CYNDAN* RINSE AID should be dispensed through a Dema Automatic rinse injector. For installation advice please consult your local Cyndan specialist.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
