

CYNDAN*

Rub Clean

WATERLESS HAND CLEANING GEL

- EFFECTIVELY DISSOLVES GREASE AND OIL
- EASILY RINSES OR WIPES OFF
- NON-IRRITATING
- VERY LOW ODOUR
- PROTECTS HANDS AND ASSISTS IN THE CONTROL OF DERMATITIS

A CAREFULLY BALANCED FORMULATION

Cyndan* Rub Clean has been formulated to dissolve the heaviest grease and grime whilst being gentle to the hands. The key to this balance is the low percentage of petroleum solvent which reduces the drying effects on hands and the residual odour. To achieve an excellent clean, carefully selected emulsifying agents are introduced to breakdown the soiling.

Cyndan* Rub Clean is not just another hand cleaner. The results are outstanding. A demonstration is very welcome. We are sure that once you have seen the results you will be extremely impressed. Please ask for a demonstration - Cyndan* Rub Clean really is very, very good.

FOUR CHOICES OF APPLICATION

The Rub Clean formula is available as a gel with the option of super-fine four micron beads which assist in the removal of things such as paint and two-pack epoxy, etc. Below is shown the two pack sizes available and the associated wall brackets and pumps.

Please consult your Cyndan* representative for details.
