# SHIELD 'N SHINE

## LIQUID RESILIENT POLISH

Cyndan Shield 'N Shine is a complex blend of silicone oils designed to nourish and protect porous and non porous surfaces. Whilst protecting, the oils will beautify the surface.

### **DIRECTIONS:**

Cyndan Shield 'N Shine is a concentrated product and should be use sparingly. Spray a fine mist onto the surface to be treated and buff with a lint-free cloth which will result in a high lustre.

Cyndan Shield 'N Shine is formulated to polish and protect all hard surfaces with a minimum of time and effort. Cyndan Shield 'N Shine may be diluted with water. To enjoy the convenience or aerosol applications, Cyndan Shield 'N Shine may be used in Cyndan's refillable aerosol the "mistlon". Ask your representative for a demonstration.

**SAFETY:** Avoid contact with eyes.

**FIRST AID:** If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
