# SHINING FLOORS

RESILIENT FLOOR SEALER AND POLISH

## DIRECTIONS:

For those who desire the ultimate in floor maintenance, their floors should be sealed with Cyndan Shining Floors. Two or three coats of Cyndan Shining Floors should be applied to give a long-lasting, hard wearing finish.

Saturate an applicator and apply a thin even coat of Cyndan Shining Floors to the floor, applying in one direction. Allow 20 minutes for drying time (will vary with atmospheric conditions). Apply second coat in opposite direction. Final coat may be buffed if higher shine is desired.

Cyndan Shining Floors can be buffed after damp mopping to restore the beauty of the floor.

Heavy traffic areas can be recoating without stripping the floor. Clear, with mild detergent such as Cyndan Deoda Clean.

Maintains and beautifies vinyl, lino, sealed cork and sealed timber floors.

**SAFETY:** Avoid contact with eyes.

**FIRST AID:** If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
