

Cyndans* Spill Response Kit

Be Safe - Be Legal - Be Prepared

Cyndan's premium absorbent Enviro Dryorb is now available in a 150 litre capacity Spill Response Kit.

The Kit contains:

- 1 x 15kg Cyndan Enviro Dryorb
- 2 x 1 metre Socks
- 1 x Chemical respirator with replacement organic vapor/acid cartridges and filters
- 1 x Pair chemical resistant, lined neoprene gloves
- 1 x Chemical splash safety goggles with anti fog
- 1 x Lightweight protective suit
- 1 x Black disposal bag with drawstring tie

The Spill Response Kit is housed in an appropriately labelled, safety yellow bin with wheels for ease of movement.

This kit provides a practical solution for, and complies with the requirements of the 1999 Dangerous Goods Act Clause 89 subclause 9, The Australian standard for storage and handling of agricultural and veterinary chemicals, AS 2507, and the spills and disposal sections of all material safety data sheets as prepared under the National Code of Practise for the preparation of Material Safety Data Sheets.
