

CAUTION Keep out of reach of children
Read safety directions before opening

SQUEAKY CLEAN POWDER

DIRECTIONS:

Firstly the dishwasher should be charged with 60g of Cyndan Squeaky Clean Powder. To maintain the level of powder 10g (or one tablespoon) should be used for subsequent wash loads. For hygiene requirements it is advisable to maintain the water temperature above 60 degrees Celcius. Scrape food particulars from plates and wash as soon as possible as this results in more effective hygiene.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
