

MULTI USAGE, NON CAUSTIC, SAFETY SOLVENT

CYNDAN*

Cyndan* Steamate is a powerful concentrate with Anhydrous Sodium Metasilicate which enables the removal of oils, greases and industrial grime. This complete formula is effective and economical.

Cyndan* Steamate is a liquid additive for steam cleaning machines. It may be diluted with 20 parts of water and used in either hot or cold pressure washers of all makes. Steamate will quickly remove grease and oil build ups and dries leaving a residual free surface.

Steamate - A man's best friend.

MANY YEARS OF SALES HAVE PROVEN THIS FORMULATION TO BE THE ANSWER TO SAFE AND EFFECTIVE CLEANING

CONTAINS NO CAUSTIC MATERIALS

Also recommended for heavy duty "Spray On - Wipe Off" type applications when cleaning by hand in all industries such as general and janitorial cleaning.

STEAMATE

This product is approved for use in registered export meat establishments.

A PROVEN FORMULATION
