U-BEAUT

SAFETY DEGREASER

CYNDAN U-BEAUT is a non flammable, non corrosive, safety degreaser formulated to replace solvent based products where safety and effectiveness is required. Comprising of high performance surfactants and an optimised blend of nature freindly ingredients, it's very effective in degreasing and cleaning any surface. U-BEAUT is safe for use on all surfaces and materials.

DIRECTIONS:

Recommended strength is 1 part U-BEAUT with 10 parts water. May be used stronger or weaker as required. Spray onto the surface to be cleaned, agitate surface with soft bristled brush, allow a couple of minutes penetration then rinse off well with water.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
