

**Description:** Water-based degreaser and wax remover.

**Intended use:** U Beaut is intended to remove grease and wax from a variety of substrates including machinery parts, vehicles, engines, trucks, planes, tiles, commercial kitchens, flooring etc. It also has the ability to safely remove printing inks from machinery and soot from vehicles.

**Features & Benefits:** New technology provides industrial strength, powerful grease and wax removing properties. Biodegradable, water based, safe to humans and environment. Non-hydrocarbon, non-caustic, non-flammable, non-toxic, non-corrosive. Contains a low suds surfactant to allow for contaminants to easily wash off.

**Limitations:** none defined

**Sizes:** 5L, 20L, 25L, 205L, 1000L.

**Dilution:** Concentrated formula. See below for dilutions for specific applications.

**Clean up:** Clean equipment with water.

**Typical Physical Properties:**

<b>Appearance &amp; Odour</b>	Slightly yellow clear liquid. Very mild odour.
<b>Melting/Softening Point</b>	Approx. 0°C.
<b>Boiling Point &amp; Vapour Pressure</b>	Approx. 100°C at 100kPa.
<b>Volatile Materials</b>	Water Component
<b>Flashpoint</b>	Does not burn
<b>Specific Gravity</b>	No data.
<b>Solubility in Water</b>	Completely soluble
<b>Corrosiveness</b>	Non corrosive
<b>Shelf Life</b>	3 years after manufacture date.

**Identification:**

<b>UN No.</b>	None Allocated
<b>Dangerous Goods Class</b>	None Allocated
<b>Hazchem Code</b>	None Allocated
<b>Sub Risk Class</b>	None Allocated
<b>Packaging Group</b>	None Allocated
<b>Poison Schedule</b>	Not Scheduled

**Application Instructions:**

Dilute to the following appropriate concentration, apply with spray or cloth and rinse with water.

Substrate	Purpose	parts water	U Beaut
Machine Parts/ engines/ metal	remove grease, inks	10	1
Machine Parts/ engines/ metal	remove wax	5	1
Floors	remove grease, wax, inks	20	1
Commercial kitchens s/steel	kitchen degreasing	20	1
Vehicle duco	remove grease, soot, grime	40	1
Painted surfaces	remove grease	10	1
Printing Machinery	remove ink	10	1

**Safety & References:**

Please see MSDS (Material Safety Data Sheet) for storage, safety and first aid directions before use.
