U-BEAUT

TRUCK WASH BLEND

Cyndan* Truck Wash may be used as a premium hand washing or machine washing compound. It may be diluted with 10-20 parts of water resulting in an outstanding Truck washing compound.

DIRECTIONS:

For economical fleet washing Cyndan* Truck Wash can be diluted with as much as 50-100 parts water.

Wash the surface to be cleaned using soft brush, rag or sponge. Rinse the surface before the suds have time to dry. The surface cleaned will result in a streak free high gloss luster.

SAFETY: Avoid contact with eyes.

FIRST AID: If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
