# WONDER WASH

## NO AGITATION CAR & EQUIPMENT WASH

Cyndan Wonder Wash is a unique blend of chemicals designed to clean vehicles and equipment without the need for agitation. The steps to the application are essential in getting a good result. Using Cyndan Wonder Wash as a regular car wash is also recommended and procudes an immaculate finish.

### DIRECTIONS:

Non Agitation Application: Firstly, wet the vehicle or equipment to be cleaned. Dilute 1 part Cyndan Wonder Wash with approximately 9 parts of water (15 parts of water may be used for vehicles and equipment which are regularly cleaned). Apply the Cyndan Wonder Wash by spray method allow the vehicle to totally dry. Now rinse thoroughly. The item is now clean and a streak free finish will result without the need of wiping.

Reguiar Car Wash: Put a small quantity of Cyndan Wonder Wash in the bottom of a bucket and fill with water. (This is about 1-250 dilution). Apply the solution to the item to be cleaned with a rag, sponge or brush and rinse. Once again good rinsing ensures a streak free result.

NB: Vehicles which are hot from the sun should be wet and cooled before cleaning. Cyndan's Chapin 2179 compressed air sprayer is an ideal applicator for Cyndan Wonder Wash. It saves time and reduces waste, resulting in total economy.

**SAFETY:** Avoid contact with eyes.

**FIRST AID:** If swallowed, do NOT induce vomiting, give a glass of water and seek medical attention. Contact the Poisons Information Centre (13 11 26 Australia; 0800 764 766 New Zealand). If in eyes, hold eyelids open and flush with water for at least 15 minutes.
