

Cyndan* **Wool Wash**

Ideal for washing all your delicate woollens

This product is a Concentrate as the base for its CYNDAN*

WOOL WASH formula. Woollens, like human hair, require a thorough cleansing yet need to be protected from harsh chemical solvents and caustics.

CYNDAN* has taken the delicate cleaning action of a hair shampoo as the base for its CYNDAN* WOOL WASH formula. Woollens, like human hair, require a thorough cleansing yet need to be protected from harsh chemical solvents and caustics.

This product uniquely boasts a nil Phosphorus and Phosphate content which provides outstanding benefits for our sensitive environment.

DIRECTIONS FOR USE:
HAND WASHING: Before adding your delicate woollens, thoroughly mix the CYNDAN* WOOL WASH through the warm water. Gently squeeze the solution through the garment and soak for 15 minutes. Rinse, then towel or spin dry.

PLEASE NOTE: Always test for colour fastness and avoid excessive agitation or rubbing with woollens.

Follow the garment manufacturer's directions

Recommended Measures	75ml
Top Loading Machine	45 ml
Twin tubs Front Loading	30 ml
