

Cyndan*

WWW. WASH 'N WAX WITHOUT WATER

**For the regular cleaning of vehicles
and equipment**

- **NON-TOXIC Environmentally Responsible**
- **Saves Australia's precious resource... WATER!**

Cyndan WWW. is an Australian researched and manufactured product. You no longer need to clean with conventional buckets, soap, hoses, sponges or chamois.

Cyndan WWW. will wash, polish and then by way of a microscopic film, protect all surfaces, which have been cleaned. Ideal for cars, boats, motorbikes, trucks, glass, chrome, duco etc.

1 litre will clean approximately 9-15 vehicles, depending on the size and condition of the vehicles.
