CAR SLEEK

Biodegradable

Non Toxic

Phosphate Free

Environmentally Friendly

Streak Free

Liquid Car Washing Formula

Cyndan Car Sleek is a liquid formula that breaks up road film, grease, tar, bugs, oil and petrol stains. It is suitable for washing either by hand or for use in machine washing bays. Use on cars, trucks, buses, boats, taxis, funeral & fleet vehicles.

It is environmentally friendly, phosphate free, non toxic and biodegradable. It contains no acids, caustics, solvents or alkalis. It's formulation includes up to 10% naturally occurring coconut derivatives which promotes high sudsing foam and thus provides an excellent clean without leaving a residue.

It has a neutral pH to ensure paintwork is not damaged and the waxes protecting the paintwork are not compromised.

It's high percentage of actives means it still provides excellent results at an economical dilution. May be diluted up to one part Cyndan Car Sleek to 50 parts water.

Use on:

- ✓ Cars
- ✓ Trucks
- ✓ Boats
- ✓ Buses
